examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The text has a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

The SAGE Course Companion on Management Accounting is an accessible introduction to the subject that will help readers extend their understanding of key concepts and enhance their thinking skills in line with course requirements. It provides support on how to revise for exams, how to present calculations and how to prepare for and write assessed pieces. Readers are encouraged not only to think like a management accountant but also to think about the subject critically. Designed to compliment existing textbooks for the course, the companion provides:

- Easy access to the key themes in Management Accounting and an over view of its business context
- Helpful
