The Save a Life Initiative has just released its newest course: Pediatric Advanced Life Support (PALS). This manual is based on the 2020 Pediatric Advanced Life Support guidelines published by the International Liaison Committee on Resuscitation. The Pediatric Advanced Life Support (PALS) Provider Handbook is a comprehensive resource intended for health care professionals currently enrolled in a Pediatric Advanced Life Support Certification or Recertification Course. It serves as the primary training material for PALS Certification and Recertification courses. Although it is primarily intended for use during certification courses, the handbook was also created to serve as daily reference material for health care professionals. Information covered in the handbook includes EKG and electrical therapy review, pediatric respiratory failure, and more. Specific PALS Algorithms and more are also included within the handbook. All material included in this handbook is delivered in a manner meant to enhance learning in the most comprehensive and convenient way possible.Download our eBooks FREE at https://nhcps.com/free-ebooks-download

<p>The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.</p>
