Di pinggir rel sore hari anak-anak makan disuapi ibunya nasi kecap bercampur kereta api lewat sementara langkah-langkah mengurai arah dan suara klakson saling membentak Baju dan celana berwarna pucat berjejer ingin dipilih semuanya murah-murah, kata tetangga tawar saja, meskipun kau tidak punya uang atau sekedar pegang, lalu beralih ke lain barang sang pedagang cuma bersungut dalam pandang Senja berbaring di ujung rel perlahan ia melinting hari membiarkan angin meliuk dari gulungannya lalu tertubruk laju kereta Sebuah kaos merah pucat terhembus ke tengah rel sang pedagang risau tak mau rugi dengan cepat ia melompat orang-orang berteriak, “awas kereta!”

Published in Indonesia in 2005, *The Rainbow Troops*, Andrea Hirata's closely autobiographical debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitung, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's *The Kite Runner*: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve.

"There are not many books on ethics that are currently available, especially in Indonesia. This book comes to fill that gap. A commendable book that researchers should read, especially when there is more and more research on human behavior. It is a stupendous work." ? M. Chatib Basri, Executive Director, IBER Minister of Finance of the Republic of Indonesia 2013-2014 “This book addresses an important set of issues in the context of Indonesia, a large developing country in Southeast Asia. Most work on research ethics has originated in the developed world; the strength of this book is that it relates the large international literature to the specific problems which Indonesian researchers are likely to face, especially in the social sciences. It deserves a wide readership both in Indonesia and in other parts of the world.” ? Anne Booth, Professor Emeritus, SOAS, University of London "In a world full of

fake news, corrupt bureaucracies, and inequitable judgements it is vital that the training of rising generations of social scientists contains thorough grounding in ethics. This volume should be required reading in all teaching programs, and a valuable addition on the desk of all graduates wishing to pursue a career in the social research professions.” ? Terence H. Hull, Emeritus Professor of Demography, The Australian National University “Reading this book is an eye-opening experience. Mayling Oey Gardiner presents novelty by discussing ethics in social science research on current issues such as big data, internet-based research, and environmental research. This book can guide academics and decision-makers to define boundaries and consider the impact of social research.” ? Rhenald Kasali Ph.D, Founder Rumah Perubahan Professor of Management, University of Indonesia

In 1965-66, army-organized massacres claimed the lives of hundreds of thousands of supporters of the Communist Party of Indonesia. Very few of these atrocities have been studied in any detail, and answers to basic questions remain unclear. What was the relationship between the army and civilian militias? How could the perpetrators come to view unarmed individuals as dangerous enemies of the nation? Why did Communist Party supporters, who numbered in the millions, not resist? Drawing upon years of research and interviews with survivors, *Buried Histories* is an impressive contribution to the literature on genocide and mass atrocity, crucially addressing the topics of media, military organization, economic interests, and resistance.

NEW YORK TIMES BESTSELLER • A witty and emotionally charged novel that delves into the heart of a marriage, and how those we love and think we know best can sometimes surprise us the most “A delightful take on the mixed blessings of marital longevity.”—*People* After ten years together, Sylvie and Dan have a comfortable home, fulfilling jobs, and beautiful twin girls, and they communicate so seamlessly they finish each other’s sentences. They have a happy marriage and believe they know everything there is to know about each other. Until it’s casually mentioned to them that they could be together for another sixty-eight years . . . and panic sets in. They decide to bring surprises into their marriage to keep it fresh and fun. But in their pursuit of Project Surprise Me—from unexpected gifts to restaurant dates to sexy photo shoots—mishaps arise, with disastrous and comical results. Gradually, surprises turn to shocking truths. And when a scandal from the past is uncovered, they begin to wonder if they ever really knew each other at all. With a colorful cast of eccentric characters, razor-sharp observations, and her signature wit and charm, Sophie Kinsella presents a humorous yet moving portrait of a marriage—its intricacies, comforts, and complications. *Surprise Me* reveals that hidden layers in a close relationship are often yet to be discovered. Praise for *Surprise Me* “Genuinely funny.”—*The New York Times Book Review* “Unexpected and wholly satisfying.”—*USA Today* “In her signature fashion, Sophie Kinsella brings a cast of quirky, funny characters to this new work. [She] keeps the laughs coming. . . . Readers will follow the story with bated breath as the couple struggle to make their marriage right after everything they thought they knew about each other proves wrong.”—*Library Journal* “Heartfelt . . . What at first seems like a light novel about familiar woes turns into a deeper story about trust, family, and perception.”—*Publishers Weekly* “Winsome and zesty, Kinsella’s latest delivers all the hallmarks her many fans have come to expect.”—*Booklist* “Pure fun . . . a hilariously moving look at marriage and the power of mixing things up.”—*Kirkus Reviews*

Ophelia, a timid eleven-year-old girl grieving her mother, suspends her disbelief in things non-scientific when a boy locked in the museum where her father is working asks her to help him complete an age-old mission.

Prowling the seedy red-light districts, the underground club circuit and the house parties of wealthy Indonesian society, Moammar Emka offers a unique glimpse into the underbelly of modern, urban Jakarta. This is the book that took Indonesia by storm. Moammar Emka is Jakarta's answer to Carrie Bradshaw; this is ""Sex and the City"" Indonesian-style!

“Reading a perfectly plotted Agatha Christie is like crunching into a perfect apple: that pure, crisp, absolute satisfaction.”—Tana French, *New York Times* Bestselling Author From the Queen of Suspense, an all-new collection of her spookiest and most sinister stories, including an Agatha Christie story never before published in the USA, *The Wife of Kenite!* For lovers of the supernatural and the macabre comes this collection of ghostly and chilling stories from legendary mystery writer Agatha Christie. Fantastic psychic visions, specters looming in the shadows, encounters with deities, a man who switches bodies with a cat—be sure to keep the light on whilst reading these tales. *The Last Séance* gathers twenty stories, some featuring Christie’s beloved detectives Hercule Poirot and Miss Marple, in one haunting compendium that explores all things occult and paranormal, and is an essential omnibus for Christie fans.

At the turn of the twentieth century, exotic dancer Mata Hari lived and loved by her own rules. *** *My Name is Mata Hari* tells the story of the infamous dancer and courtesan who began as Margaretha Geertruida Zelle, a young Dutch woman who married the older Rudolph MacLeod, a military officer, and traveled with him to the Dutch East Indies. Claiming her mother's Javanese ancestry, she changed her name to Mata Hari, Malay for "eye of the day." Mata Hari danced on stages across Europe and the Middle East, and took many high-ranking military and government officials as her lovers. At the end of a tumultuous life, convicted for espionage during the First World War yet sustained by her pride, she said, "I am a genuine courtesan. And I am a dancer in the true sense." *** Remy Sylado is the pen name of noted Indonesian novelist, poet, playwright, and musician, Yapi Tambayong. He also wrote the screenplay for the award-winning film, *Ca Bau Kan* (2002). Novelist and journalist Dewi Anggraeni delivers a creative rendition of startling depth and sensitivity for the first of Sylado's novels to appear in English.
