Your Home was originally published as a technical manual in 2001 in parallel with the Your Home website. It was the first Australian publication of information on sustainable building practices aimed at ordinary householders as well as building professionals.

Introduction | YourHome

Uniform Building Regulations Prior to the consolidation of building laws and regulations into the Building Code of Australia, there were various editions of the Uniform Building Regulations which directed and defined building laws in Victoria, from 1945 to 1974.

Victorian building regulations - Standards in State ...

Australian Owner Builders have been providing specialist services to owner builders since 1987. Over the years we have supplied thousands of owner builders with the tools to successfully complete their new home, renovation or extension. Our motto 'if you fail to plan you plan to fail' is never more important than in the building of your home.
