When Noah--the first man she ever loved--stumbles back into her life, it's her chance to have it all. The spark between them burns hotter than ever, and this time her fantasies are far from innocent. From the wonderfully evocative and talented Mary Reed McCall comes the first novel of an exciting new trilogy based on the mysterious and fascinating Knights of Templar. Sir Richard de Cantor, a highly-skilled warrior, is hampered by guilt over the ambitious, materialistic way he'd lived before he joined the Templar Brotherhood -- a lifestyle he believes led to the death of his young daughter. Lady Margaret Newcomb is a disgraced daughter of a powerful English earl and has led a quiet life of penance and atonement. Though of different backgrounds, in truth they are both lonely, battered by the world, and in desperate need of each other's love and acceptance. Their fragile relationship is soon threatened when the French Inquisition makes its way to England, and Richard is faced with charges for his position as a Templar Knight, only to have their love further tested when someone from Meg's past reappears with the power to tear the two apart.

But guarding himself against Miss Radford's charms will be another matter altogether... The Perfect Attraction Insufferable. Insolent. Intriguing. Mr. Terrell is all of these things and more-though Alex can't afford to care. If he weren't her last resort, she'd surely have dismissed him after that first smoldering glance-a glance that sent her heart racing with a desire she'd never known. However, when the threat of danger increases, and secrets from the past come to the fore, Alex's fierce resolve melts as she seeks warm comfort and delicious passion in Aiden's arms. And with each moment they share, Aiden is becoming less someone she needs than someone she wants. But what will happen when all secrets are revealed? The Perfect Temptation "The lures of Lafoy's writing are not just great characters, fantastic storytelling, and heightened sexual tension, but also the subtle ways she plays on your emotions so that you are completely invested in the book. No reader...can ignore the deep and intense emotions that emanate from the pages of this masterful romance." -Romantic Times (4-1/2 stars, Top Pick) "Leslie LaFoy delivers wonderful, witty characters, and breathless romance." -Celeste Bradley, author of The Spy

Although temptation is a common and well-acknowledged part of the human experience, few realize the truth behind temptation and fewer still know how to defeat it. Tempted and Tried will not reassure Christians by claiming that temptation is less powerful or less prevalent than it is; instead, it will prepare believers for battle by telling the truth about the cosmic war that is raging. Moore shows that the temptation of every Christian is part of a broader conspiracy against God, a conspiracy that confronts everyone who shares the flesh of Jesus through human birth and especially confronts those who share the Spirit of Christ through the new birth of redemption. Moore walks readers through the Devil's ancient strategies for temptation revealed in Jesus' wilderness testing. Moore considers how those strategies might appear in a contemporary context and points readers to a way of escape. Tempted and Tried will remind Christians that temptation must be understood in terms of warfare, encouraging them with the truth that victory has already been secured through the triumph of Christ.

Tytti Vertainen has run out of patience. Staff Writer at the Tapiolinna Times, she has spent enough of her life churning out standard news content to fill a word count. Yesterday her boss, too hungover to care, had let her chase up a promising lead; a police report on some break cables being cut. At the scene of the crime, squatting and peering under the front wheel of the car, she had looked on aghast as she saw the culprit return. A squirrel no less. But fortune takes a turn when she receives a tip-off letter telling her a murder has been committed on the island. Her first question is whose? No body has been found. Undaunted by a lack of clues she jumps to accept the anonymous challenge. If she can keep her enquiries secret and avoid her meddling boss, she might just be able to solve the crime and break the story. The Lazy Days of Temptation is a novel set among the shallow seas and lofty pines of Finland. Detective work soon supplants the frequent cups of coffee as Tytti, jolted from her everyday routine, sets out to find a murderer.

After years of abuse and torture at the hands of her father, Katia uses her genetically engineered "gift" to destroy the lab that has been her living hell. She wakes from the explosion to find she's been transported more than a hundred years into the future to a new world where nothing makes sense. As handsome and as kind as Dr. Julius Freeman is, Katia doesn't buy his story that she's been in a coma, and she certainly doesn't trust him. She does know, however, that the horrors of her previous life have followed her to this century. Katia stirs more than strictly professional feelings within Julius, but he, too, harbors a dark secret that could threaten everything building between them. When Julius is attacked and kidnapped, Katia must face her demons and fight like she's never fought before to save the man she loves. Sensuality Level: Sensual
