It appeared back in 1916, when the very first patent was issued in the United States for the invention of a unique vehicle with a front ski and a rear track. However, in those years, the production of these miracle machines was never started. The Bombardier snowmobile first appeared in 1937 when the Canadian Joseph-Armand Bombardier realized his idea for the production of tracks.

The Operator Support Services Manual (OSSM) is issued to coincide with the Maintenance and Operations Seminar. This publication introduces the overall Bombardier business aircraft support organization and describes the core business functions of each service group. In the past, the OSSM was a stand-alone publication.
