Unqualified People” - led to the band swapping instruments. Carlos Alomar took to the drums, while Dennis Davis moved to bass guitar. Only electric violinist Sean Mayes was left to his usual instrument.

In this “exhilarating yet poignant account of one boy taking flight” (Shelf Awareness, starred review), one of rock music's most entrancing figures transforms the vividness of his musical world into an unforgettable literary account of overcoming the odds and finding his true voice. Long before hitting the stage as the lead singer of the iconic glam rock band Scissor Sisters, Jake Shears was Jason Sellards, a teenage boy living a fraught life, resulting in a difficult time in high school as his classmates bullied him and few teachers showed sympathy. It wasn't until years later, while living and studying in New York City, that Jason would find his voice as an artist and, with a group of friends and musicians who were also thirsting for stardom and freedom, form the band Scissor Sisters. First performing in the smoky gay nightclubs of New York, then finding massive success in the United Kingdom, Scissor Sisters would become revered by the LGBTQ community, sell out venues worldwide, and win multiple accolades with hits like “Take Your Mama” and “I Don't Feel Like Dancin',” as well as

their cult-favorite cover of Pink Floyd's "Comfortably Numb." "Brutally honest" (Elton John), candid, and courageous, Shears's writing sings with the same powerful, spirited presence that he brings to his live performances. Boys Keep Swinging is "a wild, sexy, emotional ride through underground New York at the millennium. From the fringes to the top, it's a tale that speaks to the outsider in all of us" (Andy Cohen).

Vince, a double amputee from birth who never was able to play sports, coached baseball and other sports at the high school and college level and was named Coach of the Year 10 times. This work is an inspirational walk through his 29-year coaching career.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her

## Read Online Boys Keep Swinging A Memoir

family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Jeremy Ivester is a transgender man. Thirty years ago, his parents welcomed him into the world as what they thought was their daughter. As a child, he preferred the toys and games our society views as masculine. He kept his hair short and wore boys' clothing. They called him a tomboy. That's what he called himself. By high school, when he showed no interest in flirting, his parents thought he might be lesbian. At twenty, he wondered if he was asexual. At twenty-three, he surgically removed his breasts. A year later, he began taking the hormones that would lower his voice and give him a beard—and he announced his new name and pronouns. *Once a Girl, Always a Boy* is Jeremy's journey from childhood through coming out as transgender and eventually emerging as an advocate for the transgender community. This is not only Jeremy's story but also that of his family, told from

multiple perspectives—those of the siblings who struggled to understand the brother they once saw as a sister, and of the parents who ultimately joined him in the battle against discrimination. This is a story of acceptance in a world not quite ready to accept.

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

"As a little boy, I had a dream that my father had taken me to the woods where there was a dead body. He buried it and told me I must never tell. It was the only thing we'd ever done together as father and son, and I promised not to tell. But unlike most dreams, the memory of this one never left me. And sometimes...I wasn't altogether sure about one thing: was it just a dream?" When Augusten Burroughs was small, his father was a shadowy presence in his life: a form on the stairs, a cough from the basement, a silent figure smoking a cigarette in the dark. As Augusten grew older, something sinister within his father began to unfurl. Something dark and secretive that could not be named. Betrayal after shocking betrayal ensued, and

## Read Online Boys Keep Swinging A Memoir

Augusten's childhood was over. The kind of father he wanted didn't exist for him. This father was distant, aloof, uninterested... And then the "games" began. With *A Wolf at the Table*, Augusten Burroughs makes a quantum leap into untapped emotional terrain: the radical pendulum swing between love and hate, the unspeakably terrifying relationship between father and son. Told with scorching honesty and penetrating insight, it is a story for anyone who has ever longed for unconditional love from a parent. Though harrowing and brutal, *A Wolf at the Table* will ultimately leave you buoyed with the profound joy of simply being alive. It's a memoir of stunning psychological cruelty and the redemptive power of hope.

The New York Times bestselling, darkly funny memoir of a young New Yorker's daring dual life—advertising art director by day, glitter-dripping drag queen and nightclub beauty-pageant hopeful by night—was a smash literary debut for Josh Kilmer-Purcell, now known for his popular PlanetGreen television series *The Fabulous Beekman Boys*. His story begins here—before the homemade goat milk soaps and hand-gathered honeys, before his memoir of the city mouse's move to the country, *The Bucolic Plague*—in *I Am Not Myself These Days*, with “plenty of dishy anecdotes and moments of tragi-camp delight” (Washington Post).

A woman's coming-of-age journey through the rugged landscape of Wales to the reflective quiet of a retreat center. Along the way she questions and explores the depth of her Methodist faith as she comes to terms with her bisexual identity.

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—*O, The Oprah Magazine* When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let’s Pretend This Never Happened*, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
