Such as: Be brave enough to break your own heart. You can't ride to the fair unless you get on the pony. Keep walking. Acceptance is a small, quiet room. Romantic love is not a competitive sport. Forward is the direction of real life. Brave Enough gathers more than 100 of these "mini-instruction manuals for the soul," urging us toward the incredible capacity for love, compassion, forgiveness, and endurance that is within us all.

'Everyone should have at least two copies of Brave Enough: one to keep near the bath, and one to give out, generously, to whoever needs the help.' The Pool Across the world, millions of people have found life and depth in the words of Cheryl Strayed. Whether it has been in her bestselling memoir Wild or in her collection of advice on love and life, Tiny Beautiful Things, she has been a companion to those who feel alone, a balm to those who hurt, a co-conspirator to those who laugh, and a steel-toecapped boot to those who need tough love. In her debut novel, the bestselling author of Wild weaves a searing and luminous tale of a family's grief after unexpected loss. "Work hard. Do good. Be incredible!" is the advice Teresa Rae Wood shares with the listeners of her local radio show, Modern Pioneers, and the advice she strives to live by every day. She has fled a bad marriage and rebuilt a life with her children, Claire and Joshua, and their caring stepfather, Bruce. Their love for each other binds them as a family through the daily struggles of making ends meet. But when they received unexpected news that Teresa, only 38, is dying of cancer, their lives all begin to unravel and drift apart. Strayed's intimate portraits of these fully human characters in a time of crisis show the varying truths of grief, forgiveness, and the beautiful terrors of learning how to keep living.

Bold, brave and beautiful, Brave Enough is a gem-like collection of thoughts and aphorisms from Cheryl Strayed, author of the bestselling Wild.

#1 NATIONAL BESTSELLER At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State--and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed's national best seller, Wild, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. Perfect for fans of Where'd You Go, Bernadette and Small Admissions, a wry and cleverly observed debut novel about the privileged bubble that is Liston Heights High--the micro-managing parents, the overworked teachers, and the students caught in the middle--and the fallout for each of them when the bubble finally bursts. When a devoted teacher comes under pressure for her progressive curriculum and a helicopter mom goes viral on social media, two women at odds with each other find themselves in similar predicaments, having to battle back from certain social ruin. Isobel Johnson has spent her career in Liston Heights sidestepping the community's high-powered families. But when she receives a threatening voicemail accusing her of Anti-Americanism and a liberal agenda, she's in the spotlight. Meanwhile, Julia Abbott, obsessed with the casting of the school's winter musical, makes an error in judgment that has far-reaching consequences for her entire family. Brought together by the sting of public humiliation, Isobel and Julia learn firsthand how entitlement and competition can go too far, thanks to a secret Facebook page created as an outlet for parent grievances. The Liston Heights High student body will need more than a strong sense of school spirit to move past these campus dramas in an engrossing debut novel that addresses parents behaving badly and teenagers speaking up, even against their own families.
