'The Caribbean People' is a three-book 'History' series for Secondary schools. Tracing the origins and developments of the Caribbean region, Book 1 starts with Early Civilisation, Tribes and Settlers, followed by Colonisation and Plantations in Book 2. Book 3 looks at modern West Indian society, more recent history and current affairs.

For CXC students who want to prepare fully for their exams, CXC Study Guides are a series of titles that provide students with additional support to pass the exam. CXC Study Guides are a unique product that have been written by experienced examiners at CXC and carry the board's exclusive branding.

This volume looks at the ways historians have written the history of the region, depending upon their methods of interpretation and differing styles of communicating their findings. The chapters discussing methodology are followed by studies of particular themes of historiography. The second half of the volume describes the writing of history in the individual territories, taking into account changes in society, economy and political structure. The final section is a full and detailed bibliography serving not only as a guide to the volume but also as an invaluable reference for the General History of the Caribbean as a whole.

Slaves fought against their subhuman treatment in a myriad of ways, from passive resistance to armed insurrection. This encyclopedia details how slaves struggled against their bondage, highlights key revolts, and delves into important cultural and religious ideas that nurtured and fed slaves' hunger for freedom.

Longman Caribbean History is a brand-new, two-book course that provides students with a firm grounding in the subject.

Volume6 looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings. The authors examine how the lingual diversity of the region has affected the historian's ability to coalesce an historical account. The second half of the volume describes the writing of history in the individual territories, taking into account changes in society, economy and political structure. This volume concludes with a detailed bibliography that is comprehensive of the entire series.
