Many device manufacturers have increasingly designed products to make them difficult to repair without specialized equipment and instructions, but that may change soon.

This book gives enthusiasts of the single overhead camshaft Honda Four a step-by-step guide to a full restoration. Whether it be the small but luxurious CB350/4 right through to the ground breaking CB750/4. This guide covers dismantling the motorcycle and its components, restoring and sourcing parts, paint spraying, decals and polishing. The chapters cover, Engine, frame, forks, fuel, exhaust, seat, brakes, tyres, electrics, up to the rebuild and on to safe setup and general maintenance and finally onto riding safely and storage.

A small investment in this book could save you a fortune. With the aid of this book's step-by-step expert guidance, you will discover all you need to know about the car you want to buy. The unique point system will help you to place the car's value in relation to condition.
