She heads off to the mining base to investigate and finds a colony of clones ruled by a group of the original colonists. Seems they were practicing cloning.

**Colony Two Mars (Colony Mars #2) by Gerald M. Kilby**

Colony Two Mars is a great action-adventure extension of the original story line. I enjoyed it even more than the first. Great characters, good pacing, engaging premise. If you liked Colony One Mars, then you'll definitely want to continue on. If you haven't read either, download both and light one off the other. There's a set-up for a third.

**Amazon.com: Colony Two Mars: Fast Paced Sci-Fi Thriller**

Two early proposals for building habitats on Mars are the Mars Direct and the Semi-Direct concepts, advocated by Robert Zubrin, an advocate of the colonization of Mars. [2] SpaceX have proposed the development of Mars transportation infrastructure in order to facilitate the eventual colonization of Mars.
