Registered investment advisers are accustomed to regulatory scrutiny. But the pressure to understand changing compliance regulations and to meet the requirements they impose has never been more intense. A range of scandals and abuses—from the laundering of terrorist funds to mutual fund trading shenanigans—has caused the Securities and Exchange Commission to tighten regulation and step up enforcement. Unfortunately, definitive compliance information—the kind that can save advisers precious time and spare them serious trouble--has not been easy to find. Until now. The RIA's Compliance Solution Book gathers the information needed most and puts it all in one place. Here advisers will find plain-English translations of the rules that regulate such issues as: advisory contracts and fees advertising and client communications RIA compliance programs and codes of ethics custody of customer accounts completing, filing, and amending Form ADV selecting brokers and executing trades

This document brings together a set of latest data points and publicly available information relevant for Platforms & Applications. We are very excited to share this content and believe that readers will benefit immensely from this periodic publication immensely.

One of the fastest growing corporate positions is that of global trade compliance manager. This position used to be an insignificant factor in most corporations, but the events surrounding 9/11 changed that forever. Compliance became a household word in businesses involved in importing and exporting. Unfortunately, when corporations begin setting u

Plunkett's Almanac of Middle Market Companies 2008 is designed to be time-saving business development tool for professionals, marketers, sales directors, consultants and strategists seeking to understand and reach middle market American companies. It will also be of great use to placement, recruiting and human resources professionals, as well as professionals working in economic development, lending and media. It covers competitive intelligence, market research and business analysis--everything you need to identify and develop strategies for middle market corporations. Coverage includes all major business sectors, from InfoTech to health care to telecommunications and much more. (We have intentionally omitted retail companies and banks.) These profiles and details on over 500 middle market firms are pulled from our extensive company and industry databases. We also include a business glossary and a listing of business contacts, such as industry associations and government agencies. Next, we profile hundreds of leading middle market companies. Our company profiles include complete business descriptions and up to 27 executives by name and title. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.
