Introduction to OpenGL**Computer Graphics With Opengl 4th**
Computer Graphics with OpenGL, 4/e is appropriate for junior-to graduate-level courses in computer graphics. Assuming no background in computer graphics, this junior-to graduate-level course presents basic principles for the design, use, and understanding of computer graphics systems and applications.

Computer Graphics with Open GL 4th Edition—amazon.com

Complete and comprehensive discussion of the OpenGL computer graphics programming library. Provides a large and efficient collection of device independent functions for creating graphics with a general-purpose language. Revised content—Brings the text up-to-date with current advances in computer graphics technology and applications.

Computer Graphics with Open GL 4th Edition—Pearson

Computer Graphics with OpenGL, 4/e is appropriate for junior-to graduate-level courses in computer graphics. Assuming no background in computer graphics, this junior-to graduate-level course presents basic principles for the design, use, and understanding of computer graphics systems and applications. The authors, authorities in their field, offer an integrated approach to two-dimensional and three-dimensional graphics topics.

Computer Graphics with OpenGL by Donald Hearn

There is one required textbook for this course: Computer Graphics with OpenGL, 4th Ed., Hearn, Baker, and Carithers Prentice Hall, 2010. ISBN: 978-0136053583. In the past, most students have found it is possible to pass the course without opening the textbook once, as almost all graded material is provided through lecture and precepts; nevertheless, this textbook will prove extremely useful ...

Computer Graphics With OpenGL 4th Edition Textbook—

I have to say, that Interactive Computer Graphics is a good course text book and more up to date. The one book that I think is perfect for a modern introductory computer graphics course is Foundations of 3D Computer Graphics by Steven J. Gottler. This is the most beautiful book I have seen in the topic, except for the BIBLE (Foley) and maybe WATT.
