~~Little Learning Labs: Unofficial Minecraft for Kids--an abridged edition of Unofficial Minecraft Lab for Kids--offers a variety of creative exercises that explore the game through fun, educational lessons. Activities selected from an Amazon Best Kids' Books of 2016 pick! Balancing your child's screen time can be difficult, especially when it comes to wildly popular, open-ended video games like Minecraft. Minecraft offers players an environment focused on exploration, imagination, and creation, but its nonlinear game structure can mean spending a lot of time in the game. You will start the book by brushing up on some common Minecraft terminology and examining the two main modes of game play: creative and survival. You'll then use this knowledge to venture off onto the six different quests that combine out-of-game and in-game activities and encourage child and adult participation. You'll even learn how to screencast and narrate your own videos to share with family and friends. Little Learning Labs: Unofficial Minecraft for Kids provides fun, educational gaming goals that you and your child can reach together!~~

~~An inspiring, practical and gorgeous guide to crafting the most realistic and artful paper flowers for arrangements, art, décor, wearables and more, from San Francisco botanical artist Tiffanie Turner. The Fine Art of Paper Flowers is an elevated art and craft guide that features complete step-by-step instructions for over 30 of Tiffanie Turner's widely admired, unique, lifelike paper flowers and their foliage, from bougainvillea to English roses to zinnias. In the book, Turner also guides readers through making her signature giant paper peony, shares all of her secrets for special paper treatments, candy-stripping, playing with color and creating botanical imperfections, and shows how to turn paper flowers into gorgeous garlands, headdresses, bouquets and more. These stunning creations can be made from simple and inexpensive materials and the book's detailed tutorials and beautiful photography make it easy to achieve dramatic and lifelike results.~~

~~Bring the quirky world of pixel art to life with fusible craft beads. Colorful, inexpensive beads from Perler®, Hama®, Nabbi®, or Artkal® are perfect for recreating the retro 8-bit era of blocky video games. Making trendy pixelated wearables, jewelry, and home décor is as simple as following a chart, and your finished creations will look as if they just stepped off a screen. Inside this book you'll find over 50 super fun design ideas for digital-inspired jewelry, coasters, frames, boxes, toys, and more. You'll learn all the basics of assembling and fusing beads, with tips on tools, pegboards, and adhesives. No crafting experience is necessary, with clear directions and step-by-step photos that make it easy to get great results.~~

~~Creating things is fun! It's even more fun when you can take something practical you've made and personalize it just for you. Crafting is also an important part of the game of Minecraft, but not everything you make has to be practical. This book shows Minecraft fans how to put their own stamp on their in-game buildings and tools. Age-appropriate text will show them how these methods compare to methods used in the real world for years, such as dyeing, smelting glass, and metalworking.~~

~~If you are a fan of the cube world who loves crafts and do-it-yourself projects, this book is just for you. Created for creative, imaginative, and crafty miners of all ages, this helpful book is ready to start you out on your newest adventure. Inside, you will find a variety of fun projects such as cushion sewing, pie making and more. This book is sure to have fans of all ages engaged and excited.~~
