What is your birthright? Vivi Neves has rejected everything her parents hold dear - their heritage, culture, traditions - and their dark family secret: they're haguari - cat people, shapeshifters who turn into jaguars, as their ancestors have done for thousands of years. Then, tragically, her parents are killed. Vivi can cling to her own beliefs and live her life the way she wants -or she can embrace her heritage and avenge her parents' deaths. With danger closing in on her, her decision is forced . . . and she's pulled deeper into a mystery that gets darker and

Online Library Darkest Fear Birthright 1 Cate Tiernan

more dangerous until finally she must face her heritage . . . or die.

Vivi Neves had rejected everything her parents hold dear - their heritage, culture, traditions - and their dark family secret: they're haguari - cat people, shapeshifters who turn into jaguars, as their ancestors have done for thousands of years. Now, following the tragic death of her parents, Vivi has finally accepted her birthright and is learning to live life as a shapeshifter.

Vivi's animal instincts are her legacy—and may be her downfall—in this start to a romantic fantasy series that will appeal to fans of *The Nine Lives of Chloe King*. Vivi has known the truth about her family—and herself—since she was thirteen. But that doesn't mean she's accepted it. Being Haguari isn't

something she feels she'll ever accept. How can she feel like anything but a freak knowing that it's in her genes to turn into a jaguar? Now eighteen, Vivi's ready to break away from the traditions of her heritage. But all of that changes with her parents' shocking, devastating deaths and the mysteries left behind. Vivi discovers family she never even knew she had, and a life open with possibility. New friends, new loyalties, and even romance all lay ahead—but so do dangers unlike anything Vivi ever could have imagined.

Every ending is a new beginning. In the first two Immortal Beloved novels, 450-year-old ex-party girl Nastasya Crowe spends five months at River's

Edge, a rehab for immortals with troubled pasts. In between uncovering her family's epic magickal history and flirting with Reyn, a heartbreakingly hot Viking wonder boy, Nastasya finally learns that being good is a choice within her power. Just as she's starting to truly change, she discovers that someone is killing immortals around the world and that River's Edge and her new friends may be the next targets. Armed with her own brand of kick-butt magick, Nastasya joins forces with her immortal friends and teachers as they battle an evil that has plagued the world for much too long. By claiming her heritage, Nastasya fights back against darkness...but can she also fight against true love? Probably not if Reyn has anything to say about it. With vivid historical flashbacks, stark emotional reckoning, and laugh-

out-loud dialogue, the Immortal Beloved trilogy is a fascinating and unique take on what it would mean to live forever.

After seeing her best friend, a Dark Immortal called Incy, torture a human with magick, Nastasya, a spoiled party girl, enters a home for wayword immortals and finally begins to deal with life, even as she learns that someone wants her dead.
