Hi. I recently bought an Inspiron 15r and i think i may have left a letter out of my service tag when i registered. Now i'm unable to use my service tag for driver downloads or anything on the dell website (even though the website can locate my service tag for me, but when i enter it, it says it is invalid).

I have the Inspiron N5110, Service Tag: <Service Tag removed>, and currently the A07 bios. When upgrading to Windows 10 found the black screen issue. In the past people have fixed this by installing the A11 bios, but Dell has removed it from this laptop's available downloads page. The latest one is A03, dated June 2020.
