I don't think this book
can be given a rating.

It's the story of a deeply
troubled man. Divided
Soul is a perfect title for
the life of Marvin Gaye.
I never knew his story
and it is gut-wrenching.
Abused as a child, Gaye
never recovered. His
father was a terrible
man, abusive, alcoholic,
and self-righteous.

in 1973, Janis Hunter met Marvin Gaye—the soulful prince of Motown with the seductive liquid voice whose chart-topping, socially conscious album *What's Going On* made him a superstar two years earlier. Despite a seventeen-year-age difference and Marvin's marriage to the sister of

Berry Gordy, Motown's founder, the enchanted teenager and the emotionally volatile singer began a scorching relationship. One moment Jan was a high school student; the next she was accompanying Marvin to parties, navigating the intriguing world of 1970s-'80s celebrity; hanging with Don Cornelius on the
