USA TODAY Bestselling Author Claudia Burgoa presents an engaging love story full of mistaken identity, drunk texts, and hysterical mishaps. Sex talk is my job. I'm an influencer. I run a popular blog where I give all kinds of dating tips, and girls all over the world thank me for helping them with their love lives. I wish I could follow my own advice because my love life is totally dead. I just drunk texted my ex-boyfriend... except, I didn't. That text ended up going to someone else. Oops. This new relationship is almost picture-perfect, just like my online life. I guess I give good...text. He doesn't have to put up with my colorful personality--as my hot next-door neighbor describes me. Or my messy schedule. This long-distance relationship is the best thing that's happened to me and I plan to keep it that way. Until we agree to meet up, and I'm freaking out. When he meets the real me, will he hate me forever? Or will we be one day telling our grandkids about that wrong text, right love? \*\*\* Wrong Text, Right Love is a cute rom-com of two secret lovers who prepare to risk it all for love. Claudia Burgoa brings the flirty fun in this cozy novel of risking it all for romance.

Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as "liquid armor," a way to protect themselves against the difficult realities of life. In this extraordinarily candid and revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Knapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her years at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for *Drinking* “Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's allure and its devastating hold.”—Los Angeles Times Book Review “Filled with hard-won wisdom . . . [a] perceptive and revealing book.”—San Francisco Chronicle “Eloquent . . . a remarkable exercise in self-discovery.”—The New York Times “Drinking not only describes triumph; it is one.”—Newsweek

“I finished this book with my heart pounding and grateful, my coffee cold and my smile wide and crying like a baby.” —Daniel Handler The characters in *Praying Drunk* speak in tongues, torture classmates, fall in love, abandon their children, keep machetes beneath passenger seats, and collect porcelain figurines. Ranging from Kentucky to Florida to Haiti, these stories enact the struggle to remain physically and spiritually alive throughout an untamable, turbulent world. Described as an author whose “voice lands somewhere between William Faulkner and Stephen King” (*New Pages*), Kyle Minor presents a dark, compelling collection of fiction showcasing the talent that has earned him multiple literary honors.

*Alice's Adventures in Wonderland* (commonly shortened to *Alice in Wonderland*) is an 1865 novel written by English author Charles Lutwidge Dodgson under the pseudonym Lewis Carroll. It tells of a

young girl named Alice falling through a rabbit hole into a fantasy world populated by peculiar, anthropomorphic creatures. The tale plays with logic, giving the story lasting popularity with adults as well as with children. It is considered to be one of the best examples of the literary nonsense genre.

One month, I fell for him. Two, I was a goner. Three, I was a daydreamer. But by the fourth, it was a nightmare. Everything came in beats. Beat one—fantasy. Beat two—admission. Beat three—love. But it's the fourth beat that completely ruined me. Beat. Beat. Beat. With a shattered heart. He was my nightmare.

In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**
