Valuation of individual new-build homes, 3rd edition. The valuation of  
residential property for mortgage purposes is well understood, but the  
new-build sector is constantly evolving and becoming increasingly  
complex. The aim of this guidance note is to assist RICS members in  
achieving a consistent approach to the valuation of new-build  
property. It is specifically for use in the UK, however, RICS members  
and RICS regulated firms in other countries may find the processes of  
valuation ...
