Honor life's milestones and bring sacredness into everyday life. The Book of Blessings and Rituals shows you how to create ceremony and meaning around the most important events in you life. Drawing from different world traditions, leading metaphysical teacher Athena Perrakis presents blessings to cover a wide array of occasions and intentions, including holidays and sacred days, love, healing, protection, prosperity and success, lunar blessings and rituals, and manifestation. Organized by month, you'll be able to celebrate the sacred all year long. DIY projects and rituals will help you perform each blessing. You'll learn how to construct medicine bundles and altars, which crystals to use to amplify the rituals or clear energy, and how to smudge for clearing and protection. In addition, you'll learn how to use the power of invocations and blessings to set the energy of your home or event and to assist in amplifying goals and intentions. Deepen your experience of the sacred, find inspiration, and heal with this non-denominational guide to blessings and rituals.

BEING LIGHT brings forth incredible channeled information and guidance to support the evolution of humanity, and assist the reader in raising their frequency and building their Body of Light as planet earth continues its emergence into The Golden Age. Author Gia Govinda Marie shares knowledge and insight from the Beings of Light, Aurora, and Ascended Masters in this incomparable message of hope to humanity. A must-read for all who wish to ignite their multidimensional capacities, merge with their I AM Presence, and awaken to the realization that we are one with All That Is as Mother Earth journeys beyond the veil of The Golden Age.

Cleanse and heal yourself and your environment using simple smudging rituals and ceremonies. For millennia, Native Americans have burned sacred plants in a bowl or on a stick to clear space of negative energies and restore balance. These simple smudging rituals can change your life, too. Learn how to combine smudging with other ancient techniques to promote healing or to turn your home into a spiritual sanctuary. Celebrate a baby's birth with a gentle blessing that welcomes a new soul into the world. Begin each morning with a simple cleaning so you'll sail through the day with confidence and hope. This natural power is available to everyone.

The book you hold holds power. It is a potent story of a woman's healing journey. It is a roadmap for healers in training. It is a guiding, loving light for those lost and solid grounding for those found. I speak from my own whole person experience reading this book, having walked with the author, guided to explore, heal, and thus awaken my past and present mind, body, and soul. This book is a process which serves to dissolve barriers, support integration, enhance awareness of personal purpose, and inspire aligned action. I am healed. I am whole. These statements exalt, and ground a power inherent in our words – our natural ability to heal self and other, within and without, through faithful proclamation of our intention. The package, form, or wrapped blessing carrying the intention is simply stylistic choice of delivery. Some speak, many lay hands, and others silently sing a subtle, yet universally powerful intention. Each is a gift equally qualified and definitely potent. In these pages you will be encouraged to expand your relationship with the healing power of your intention. This gift is yours to learn, master, and share. "Mahavatar" means "great avatar," which is another word for Master, Great Teacher, or Enlightened One. We can see from the floods, earthquakes, tsunamis, volcanic eruptions and pollution disasters that our earth is disturbed. Not to mention the political upheaval that blights the planet. However, the Earth herself has given us tools that assist in stabilizing the situation and which teach us how to turn our thoughts and actions towards positive healing for the planet rather than envisaging her destruction. Crystals offer us creative solutions. Some amazing high-vibration crystals have made themselves known at this time to assist with Earth healing and with personal consciousness-raising. Other Earth healing crystals have been around for millennia but still do a sterling job of restoring the environment and the earth beneath our feet to optimum energetic functioning.

Deep down do you feel that momentous changes are happening on the planet affecting your life but you can't pinpoint what they are? Virginia Essene, renowned author, spiritual pioneer and channel of guidance from the higher realms, now shares about the acceleration happening on the planet, within your bodies and within your societies. Due to the urgency in present human consciousness, the spiritual realms are vitally concerned about the critical aspects that humanity has not yet fully attained. What Every Human Must Know reveals the major concepts essential to all of us for making the smoothest and safest transition through the present "ascension-of-sorts" that the planet and all of humanity are undergoing right now. In this fascinating volume find out... * What a human being really is * Ways to overcome your challenges * How to use the greater forces of light now evolving your consciousness * What the Photon Belt, Yuga Cycles, Crop Circles and Orbs offer you

Batterson invites readers to pursue, recognize, and flip every blessing from God. He provides the tools necessary to inventory one's blessings and participate in double blessing-- that moment when a blessing in your life is leveraged to doubly bless another.
