Children's Chronological Curriculum. There is a common thread that runs throughout the entire Bible, an epic story of God and his relationship with the people he loves. Epic curriculum brings this narrative to life, engaging kids in a complete picture of God's story through the ages. As each week unfolds, kids will begin to claim this story as their own, reliving it in their hearts and in their lives.

JESUS' EPIC STORY

A story is one simple narrative; a series of related and interdependent stories makes up an epic. The same is true for your work management, where the completion of related stories leads to the completion of an epic. The stories tell the arc of the work completed while the epic shares a high-level view of the unifying objective.

Epic is a genre of narrative defined by heroic or legendary adventures presented in a long format. Originating in the form of epic poetry, the genre also now applies to epic theatre, films, music, novels, stage play, television series, and video games. Scholars argue that 'the epic' has long since become "disembedded" from its origins in oral poetry.
