(PDF) Essential Cell Biology - Alberts - Third Edition ...

The general layout of the third edition of ECB is unchanged and is similar to MBoC, incorporating a couple of nice features from MBoC: "Panels" in which key concepts are elaborated (several identical to those found in MBoC) and many of the same figures. ECB retains some of its unique features from the previous edition as well. In particular, the margins of the text still prompt students to apply their knowledge or think more deeply about what they have been reading; the answers to these ...
