This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be under water in a matter of moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful bonds -- but develop dangerous disagreements. If nature doesn't break them, they might just destroy each other. nonpracticing doctor, a devoted student of transcendentalism whose home life has been shaken by tragedy. The two men become friends, and Coffin invites Bentwood to rural Maine to save his family from itself. The Coffins are noted abolitionists, their home a stop on the Underground Railroad, and lately they have been menaced by a supernatural terror. The tragedies are countless: two brothers killed, a father driven mad, and a baby frozen solid in its crib. At first Bentwood cannot bring himself to acknowledge the impossible horrors that have cursed this family. But he will not survive his sojourn in Maine unless he can open his mind to the possibility that something evil is waiting in the dark.
