Positively, it led to development of transport network the region. It led to introduction of new crops in the region; It led to rise of nationalism as many Africans could no longer bear the burden of suffering in the hands of the whites. Assimilation Definition. This was a system of administration in which French colonies were given a culture and civilization similar to that of France. This ...

COLONIAL ADMINISTRATION - History Form 3 Notes

To judge the impact of colonialism on development in Africa simply by looking at outcomes during the colonial period is a conceptual mistake. Post-independence Africa looked nothing like it would have done in the absence of colonialism. Indeed, in most cases post-independence economic decline in Africa can be explicitly attributed to colonialism because the types of mechanisms that led to this ...

Since development administration is different from non-development administration it is necessary to find out the problems. Almost all the developing nations were colonies of the imperialist powers and during imperial administration there developed a type of rule that served the purpose of imperialists.

Development Administration: Definition, Concepts and ...

Colonialism is the policy of a country seeking to extend or retain its authority over other people or territories, generally with the aim of economic dominance. In the process of colonisation, colonisers may impose their religion, language, economics, and other cultural practices on indigenous peoples. The foreign administrators rule the territory in pursuit of their interests, seeking to ...

Colonialism - Wikipedia

Colonial administration In 1900 ... Lugard's governmental model for Nigeria was unique and there was apparently not much planning for its future development. Colonial official A. J. Harding commented in 1913: Sir F. Lugard's proposal contemplates a state which it is impossible to classify. It is not a unitary state with local government areas but with one Central Executive and one Legislature ...
