A must-have resource for librarians, teachers, and parents on the popular and growing area of teen nonfiction—a genre now mandated by the Common Core Standards.

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. The Ninth Edition of Social Statistics for a Diverse Society continues to emphasize intuition and common sense, while demonstrating the link between the practice of statistics and important social issues. Recognizing that we live in a world characterized by a growing diversity and richness of social differences, best-selling authors Frankfort-Nachmias, Leon-Guerrero, and Davis help students learn key statistical concepts through real research examples related to the dynamic interplay of race, class, gender, and other social variables. The text also helps readers develop important skills such as problem-solving (through a rich variety of exercises), use of statistical software (both SPSS and Excel), and interpreting research literature. Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides. All social work students study theory and undertake practice placements. Integrating the two – so that each informs the other – is both essential and notoriously tricky. This accessible book demystifies the process and offers helpful evidence-based strategies for doing it successfully. Structured around different approaches to learning, Integrating Social Work Theory and Practice covers: Adult and student centred learning Learning and teaching techniques and assessment methods How to locate and identify theory How to critically analyse theory Key theoretical concepts in social science Issues surrounding anti-oppressive theory and practice Methods of intervention Integrating theory and practice in academic work and on placements. This essential text helps students to identify, critically analyse and apply theory appropriately, enhancing their practice. It will be useful to all social work students struggling with the theory-practice gap.
