of the Halo universe with Halo Warfleet, from the Covenant's homeworld, High Charity, to the gigantic Forerunner Guardians that lay dormant beneath the planets of the Orion Arm.

Halo Warfleet: An Illustrated Guide to the Spacecraft of ...

This is a surprisingly large book, which allows a good degree of detail for illustrations. There's some basic untextured 3d rendered pics, but lots of 'proper' illustrations of some of the iconic ships of the UNSC, the Covenant and Forerunner. Nicely printed, and with lots of well written copy from 343 Industries.
