With the rest of creation, God had simply spoken things into existence (e.g., Genesis 1:3, 14, 20, 24), but God does things differently with man. Three important observations can be made. First, the fact that man was created from dust makes him unique among all of God's creation. To create the sun, mountains, animal life, etc., God simply spoke.

It is good, not because we might be killed (which we might! – Revelation 2:10), but because these fire-fights refine the gold of our faith (1 Peter 1:7), in life and death.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to

take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember

God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work

The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

MAKE YOURSELF AT HOME IN GOD'S HEART: After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary.

Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's
