strong decision making skills. Am I choosing the right course, will I get a job after I graduate, should I do what I love doing, will I be able to manage my budgets? These questions are always relevant to students who are planning to pursue their higher education and easyuni's guidebook is an attempt to answer a few of these questions. This guidebook is another step forward to improve the entire experience of university selection and application. The guidebook is an attempt to answer questions of millions of students who are eligible for enrollment in higher education institutes in 2013-2014. The guidebook consists of 80 pages of educational content, including articles on studying abroad, choosing and applying for universities, what to study, and scholarships & loans among others. The articles also focus heavily on the seven most popular subjects, namely Engineering, Medicine, Information Technology, Science, Arts and Creative Design, and Business and Accounting.
