## I CAN'T HEAR YOU! | The Whisper Challenge

“ I Can Hear You Whisper is both an  
affecting and searching personal  
story and a fascinating job of science  
reporting, specifically the science of  
audiology—how we hear, why some  
of us don't, and how an amazing, but  
controversial, technology was  
invented. Lydia Denworth ' s son  
Alex, the beautiful boy at the center

I Hear You Whisper plays a sound when you receive a Whisper message. This is a light weight addon and no configuration is necessary, just install and forget about it. This addon is useful if you are constantly losing important messages in the often massively spammed general and trade chats, or if you are in battle and don't want to miss any messages.

manifest as ringing in the ears or voices in your head. Still, Spirit voices can also be present in other ways. Hearing whispering, muffled chatter, talking in the distance or voices that sound like the radio is playing in a place without electricity or other people, are all signs you may hear from those in the non-physical world.

---

I Hear Whispering - Is It A Spirit? —  
Amanda Linette Meder

I Can Hear You Whisper (2014) is about human communication, and the phenomenon and culture of deafness. Hearing is a complex process that doesn't function the same way for everyone, and those who are deaf or hard of hearing have developed alternative methods of communication, around which a
