About the TOEFL iBT Test (For Test Takers)

The Next Generation iBT TOEFL. A number of years ago Educational Testing Services (ETS), the people responsible for the TOEFL test, brought the test into the computer age by transitioning it from a paper-based test to a computer-based test. This allowed them to stop the practice of previewing questions and answers while listening to material, and it allowed them to add some unique testing questions, such as matching up items and placing a sentence within a paragraph.
