This journal has been discontinued. Any issues are available to purchase separately.

The increased movement of people globally has changed the face of national and international schooling. Higher levels of

Read Online Ideny An International Journal Of

Theory And Research

mobility have resulted from both the willing movement of students and their families with a desire to create a better life, and the forced movement of refugee families travelling away from war, famine and other extreme circumstances. This book explores the idea that the complex connections created by the forces of globalisation have

Read Online Ideny An International Journal Of

led to a diminishing difference between what were once described as international schools and national schools. By examining a selection of responses from students attending international schools in Brazil, the United Kingdom, France, Germany, the Philippines and Switzerland, the book discusses key issues surrounding identity

demonstrating how perceptions of identity and belonging are changing, especially with affiliation to a national or a global identity.

The notion that international students have become global citizens through their affiliation to a global rather than a national identity exhibits a changing and potentially irreversible trend. Global Identity in
