Labyrinth: A Detective Investigates the Murders of Tupac ...

Labyrinth: A Detective Investigates the Murders of Tupac Shakur and Notorious B.I.G., the Implication of Death Row Records' Suge Knight, and the Origins of the Los Angeles Police Scandal. Acclaimed journalist Randall Sullivan follows Russell Poole, a highly decorated LAPD detective who in 1997 was called to investigate a controversial cop-on-cop shooting, eventually to discover that the officer killed was tied to Marion “ Suge ” Knight ’ s notorious gangsta rap label, Death Row Records.

Labyrinth: A Detective Investigates the Murders of Tupac ...

Award-winning journalist Randall Sullivan's searing investigation uncovers a mass of connections to Suge Knight and his infamous label Death Row Records. But as Sullivan follows his leads into the darkest corners of the city, he finds the case thwarted at every turn by the LAPD itself - and realises that he is caught in a web of police corruption that spreads wider than he could have ever imagined.

Chaos Merchants: Murders of Tupac Shakur and Notorious BIG, Amazon Kindle, ASIN: B01A2VbbbYJTO.

A journalist's story of corruption in the LAPD and hip-hop's most infamous murders— “ the most thorough examination of these much-publicized events ” (Ren é e Graham, The Boston Globe). Acclaimed journalist Randall Sullivan follows Russell Poole, a highly decorated LAPD detective who, in 1997, was called to investigate a controversial cop-on-cop shooting, eventually to discover that the officer killed was tied to Marion “ Suge ” Knight's notorious gangsta rap label, Death Row Records. During his investigation, Poole came to realize that a growing cadre of outlaw officers were allied not only with Death Row, but with the murderous Bloods street gang. And incredibly, Poole began to uncover evidence that at least some of these “ gangsta cops ” may have been involved in the murders of rap superstars Notorious B.I.G. and Tupac Shakur. Igniting a firestorm of controversy in the music industry and the Los Angeles media, the release of Labyrinth helped to prompt two lawsuits against the LAPD (one brought by the widow and mother of Notorious B.I.G., the other brought by Poole himself) that may finally bring this story completely out of the shadows.

“ [An] engrossing, damning tale of widespread unchecked corruption in one of the nation's largest police departments, one that deserves attention . . . Exhaustively researched . . . The most thorough examination of these much-publicized events. ” —Boston Globe, on Labyrinth In 2002, acclaimed journalist Randall Sullivan's groundbreaking book Labyrinth ignited a firestorm with its startling disclosures about corruption in the LAPD. It told the story of Russell Poole, a highly decorated LAPD detective, who uncovered a cabal of “ gangsta cops ” tied to Marion “ Suge ” Knight's notorious rap label, Death Row Records, and allegedly to the murders of Tupac Shakur and the Notorious B.I.G. Over twenty years later, no one has been held accountable for their killings. Now Dead Wrong tells the story of the last sixteen years in the B.I.G. investigations, and uncovers the conspiracy of silence that met the estate's wrongful death suit against the City. Back in 2001, an eyewitness identified the man who shot Biggie as Amir Muhammad, a man who was former LAPD officer, Death Row associate, and convicted bank robber David Mack's college roommate and the only man to visit him in prison. Poole's investigation was repeatedly directed away from Mack and Muhammad, and the wrongful death lawsuit sought to make the city explain why—but instead, investigators encountered a disturbing pattern of selective investigation, hidden evidence, and possible witness tampering. Exclusive interviews with the FBI's lead investigator of the Biggie murder demonstrate a conspiracy that went to the top, and which implicates some of the most powerful men in law enforcement nationally. A gripping investigation into murder, police corruption, and the corridors of power in Los Angeles, Dead Wrong is full of shocking revelations about a mystery that continues to hold us twenty years on.

Read PDF Labyrinth A Detective Investigates The Murders Of Tupac Shakur And Notorious Big The Implication Of Death Row Records Suge Knight And The Origins Of The Los Angeles Police Scandal

An account of how a police detective lead the task force that exposed the facts behind the deaths of rappers Biggie Smalls and Tupac Shakur.

It's been almost 20 years since poet, revolutionary, convict, and movie star, Tupac Amaru Shakur (a.k.a 2Pac, Makaveli, or simply 'pac), was gunned down at age 25 while he sat in traffic with Suge Knight near the Las Vegas Strip following a Mike Tyson fight at MGM Grand. In the new updated and expanded third edition of this acclaimed biography, Las Vegas crime writer Cathy Scott has finally been able to include the previously unpublished chapter featuring the account of that last fateful night from "Big Frank," the rapper's now-deceased personal bodyguard. The raw no-holds-barred narrative, which includes exclusive photo evidence (including of Tupac's autopsy), is the definitive account of the unsolved murder of Tupac Shakur: the many possible motives, the failed investigation, the rap wars, the killing of Biggie Smalls, the Bloods-Crips connection, the Suge Knight and Death Row Records association, and the subsequent fate of numerous principals involved in the aftermath. It is also a sensitive, candid, and insightful account of the contradictory icon who remains not only one of the most influential rappers ever but, with more than 75 million records sold worldwide, he's also one of the best-selling music artists of all time. The music of Tupac Shakur is the legacy of his life. The Killing of Tupac Shakur is the legacy of his death.

From “ one of the bonafide rock stars of the thriller genre ” (The Real Book Spy) comes another tour de force in the #1 New York Times bestselling FBI Thriller series following agents Savich and Sherlock as they stumble into a bizarre case that ’ s more complicated and twisted than any they ’ ve ever encountered. On a Tuesday afternoon, Agent Sherlock is driving in downtown Washington when her Volvo is suddenly T-boned at an intersection. As her car spins out of control, a man ’ s body slams against her windshield and then—blackness. When she finally regains consciousness in the hospital, she ’ s told about the accident and the man she struck. No one knows yet who he is or where he is because he ran away. From DNA, they discover his name is Justice Cummings and he ’ s a CIA analyst at Langley...and he ’ s still missing. Meanwhile, in the small town of Gaffer ’ s Ridge, Virginia, Special Agent Griffin Hammersmith rescues a kidnapped woman claiming her captor had probably murdered three missing teenage girls. However, the man she accuses is the local sheriff ’ s nephew and a member of a very powerful family, reputed to have psychic powers. When the sheriff arrests Griffin and the rescued woman, Carson DaSilva, he calls Savich for help. Together they have to weave their way through a labyrinth of lies to find the truth of a terrible secret. “ If there ’ s one thing that readers can count on in a Coulter novel it is that she always delivers amazingly eerie and complex thrillers ” (RT Book Reviews), and Labyrinth is no different. With white-knuckled pacing and shocking twists and turns, this is another electrifying novel that will sink its teeth in you.

From the international-best-selling author comes a “ taut, entertaining archaeological murder-mystery-meets-spy-thriller ” (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it ’ s a complicated case for detective Arie Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives, and a modern-day conspiracy that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-best-selling author comes “ a well-researched tale combining an archaeological puzzler with contemporary Middle Eastern concerns ” (Financial Times). “ An absolutely top-notch thriller. ” —Daily Mail

In this second edition of The Murder of Biggie Smalls, Cathy Scott delves behind the scenes to pore over police records, coroner reports, FBI files, and interviews Biggie's mother, Voletta Wallace, to reveal new facts surrounding the gangsta rapper's murder. The Notorious B.I.G. exploded onto the hip-hop scene in 1995 with his platinum-selling album Ready to Die. Biggie Smalls, born Christopher Wallace and performing as Notorious B.I.G., grew up in the Bed-Stuy neighborhood of Brooklyn, New York, where he dropped out of high school to pursue street culture and his rapping style. Biggie began emceeing his original raps, which were discovered by producer Sean "Puffy" Combs, who took Biggie's gangsta image to the next level. Fame followed two successful rap albums earning million of dollars, a 1996 Billboard Rapper of the Year Award, marriage to R&B singer Faith Evans, a public affair with rapper L'il Kim, and hanging out with Tupac Shakur. The high life for Biggie tragically ended March 9, 1997, after a Los Angeles post-awards party, where he was gunned down in a drive-by, much like friend-turned-enemy Shakur six months earlier. Twenty-four years later, L.A. police still have made no arrests, despite their early confidence that the case would be solved quickly, and after revealing identities of persons of interest who worked for the police department. They dropped the investigation before it ended, stalling the case. Bestselling True Crime author Cathy Scott shares it all in this second edition of The Murder of Biggie Smalls.

Investigates the phenomenon of Virgin Mary visions around the world and the team of theologians, historians, and postulators charged by the Vatican with investigating such incidents.

"Flaunt" magazine declares "Labyrinth" "absolutely impossible to put down." Acclaimed journalist Sullivan follows Russell Poole, an LAPD detective who discovered that a growing cadre of black officers were allied not only with Death Row but with the murderous Bloods street gang. of photos.

The Rolling Stone reporter ’ s “ fascinating . . . globe-trotting, first-person spiritual odyssey ” into the Catholic Church ’ s investigations of reported miracles (Seattle Post-Intelligencer). In a tiny, dilapidated trailer in northeastern Oregon, a young woman saw a vision of the Virgin Mary in an ordinary landscape painting hanging on her bedroom wall. After some skepticism from the local parish, the matter was placed “ under investigation ” by the Catholic diocese. Investigative journalist and Rolling Stone contributor Randall Sullivan wanted to know how, exactly, one might conduct an official inquiry into such an incident. So began his eight year immersion into the world of “ Miracle Detectives. ” Sullivan set off to interview theologians, historians, and postulators from the Sacred Congregation of the Causes for Saints, men charged by the Vatican with testing the miraculous and judging the holy. Sullivan traveled from the Vatican to the village of Medjugorje, in Bosnia-Herzegovina, where six visionaries had seen apparitions of the Virgin Mary. Then, on a more personal turn, he traveled to Scottsdale, Arizona, to visit the site of America ’ s most controversial Virgin Mary sighting. In prose that “ often reads like a spiritual whodunit, ” The Miracle Detective takes you along Sullivan ’ s eight-year investigation into apocalyptic prophecies, claims of revelation, and the search for a genuine, direct encounter between man and god (Publishers Weekly, starred review).
