Performance measurement is a subprocess of performance management that focuses on the identification, tracking and communication of performance results by the use of performance indicators.

KPI 101 - 2. Performance management and measurement

Performance measurement and performance management may sound similar, but while they are complementary to one another, they are entirely separate strategic practices. The Balanced Scorecard creators, Drs. Robert S. Kaplan and David P. Norton, played a large role in championing these terms. In 1996, Kaplan and Norton published *The Balanced Scorecard: Translating Strategy into Action*.
