Illustrated with photographs that he took on field trips to the sites of early Christian life, this volume is both an introduction and a guide to a period when the events of the New Testament were a burning presence among men of great faith.

To Captain Domino York, a young rebel, a spacecraft is a means to take charge of her own destiny. She soon learns one of lifells harder lessons, however, when federal goons show up to destroy, capture, and kill. She hadn'll tounted on her command coming at such steep price. Coming out of this alive requires hurdling those who stand against her. Shells a genius, though, among other things. Even so, choosing the right path isn'll the time to the highest bidder. Jake Garrett makes a hobby of doing just that; and Domino has the very secrets everyone wants. Focus, a steady hand, and a sharp wit are called for. But are those enough to keep the Universe from blowing up? Domino hasn'll the time to think otherwise.
