A young girl explores what different emotions feel like, such as happiness which makes her want to twirl, or sadness which feels as heavy as an elephant.

From the author-illustrator of The Book of Mistakes comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. With lyrical text and breathtaking art, My Heart empowers all readers to listen to the guide within in this ode to love and self-acceptance.

A working mother reassures her child that even when they're apart, they're always in each other's hearts. This lovely board book is perfect for moms to share with their little ones. Though we're not together we're never truly apart, because you're always on my mind and you're always in my heart. This is what a mother tells her child as she leaves for work each day. This lovely board book perfectly captures the sentiment that many women feel about being a working mom. The lyrical text takes us through a mother's day away, showing us that although she's working hard, her child is always on her mind and always in her heart.

Named a Best Book of 2021 by NPR ?In her quickly gentrifying rural lake town Jade sees recent events only her encyclopedic knowledge of horror films could have prepared her for in this latest novel from the Jordan Peele of horror literature, New York Times bestselling author Stephen Graham Jones. "Some girls just don't know how to die..." Shirley Jackson meets Friday the 13th in My Heart Is a Chainsaw, written by the author of The Only Good Indians Stephen Graham Jones, called "a literary master" by National Book Award winner Tananarive Due and "one of our most talented living writers" by Tommy Orange. Alma Katsu calls My Heart Is a Chainsaw "a homage to slasher films that also manages to defy and transcend genre." On the surface is a story of murder in small-town America. But beneath is its beating heart: a biting critique of American colonialism, Indigenous displacement, and gentrification, and a heartbreaking portrait of a broken young girl who uses horror movies to cope with the horror of her own life. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying, encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold. Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. My Heart Is a Chainsaw is her story, her homage to horror and revenge and triumph.

From sunrise to bedtime, a mother shows her child the beauty of shapes found in everyday life. Full color.

"Based on the teleplay "Nella's Courageous Heart" by Scott Gray."

A New York Times Book Review Editors' Choice "Calm and contemplative, softened by melancholy humor and always alive to beauty . . . Throughout My Heart, Mr. Mehmedinovi? takes up the exile's perpetual investigation into memory, trying to reconcile the defining traumas of the past with the tendency of time to scrub them away: "Remembering and forgetting stand side by side, they're made of the same substance." That substance, whatever it is, pulses throughout this noble and large-souled work of literature." —Sam Sacks, Wall Street Journal "Though it deals with tragedy, My Heart is never depressing, partly because of the beauty of the language—expertly translated from the Bosnian by Celia Hawkesworth—and partly because of its depth and honesty of emotion, its intelligence and generosity of spirit, and the precision and originality of Mehmedinovic's observations . . . [A] powerful, at once profound and charming book." —Francine Prose, The New York Times Book Review "Today, it seems, was the day I was meant to die." When a writer suffers a heart attack at the age of fifty, he must confront his mortality in a country that is not his native home. Confined to a hospital bed and overcome by a sense of powerlessness, he reflects on the fragility of life and finds extraordinary meaning in the quotidian. In this affecting autobiographical novel, Semezdin Mehmedinovic explores the love he and his family have for one another, strengthened by trauma; their harrowing experience of the Bosnian war, which led them to flee for the United States as refugees; eerie premonitions of Donald Trump's presidency; the life and work of a writer; and the nature of memory and grief. Poetically explosive and pure to the core, My Heart serves as a kind of mirror, reflecting our human strengths and weaknesses along with the most important issues on our minds—love and death, the present and the past, sickness and health, leaving and staying.

This tender novelty board book shines a light on all the ways a parent's love for their children grows more and more each day. My heart used to beat for one, now it beats for two. But oh how giant my heart grows all because of you. A parent's love for their child grows daily, always in new and unexpected ways: through making mistakes, through asking why, through taking a stand, through making up your mind. With a die-cut heart that gets bigger and bigger on every spread, each turning page expands the love that's shared.

Scandal can be handled... Captain Maximus Harcourt, the unconventional tenth Duke of Alderidge, can deal with tropical storms, raging seas, and the fiercest of pirates. But he's returned home from his latest voyage to find a naked earl - quite inconveniently deceased - tied to his missing sister's bed. And he has only one place to turn. Now he's at the mercy of the captivating Miss Ivory Moore of Chegarre & Associates, known throughout London for smoothing over the most dire of scandals. Miss Moore treats the crisis as though it were no more serious than a cup of spilt tea on an expensive rug. As though this sort of thing happened on the job every day. Max has never in all his life met a woman with such nerve. Her dark eyes are too wide, her mouth is too full, her cheekbones too sharp. Yet together, she's somehow...flawless. It's just like his love for her, imperfect, unexpected - yet absolutely true.

The first in a new series of "see + read M books" presenting eye-catching, creative designs, and die-cut pages to teach children colors, caring, and other golden rule lessons in this bright and beautiful board book. There's no better way to share love and learning with your little one than time spent on your lap with a colorful book. My Heart Grows illustrates the wonderful ways to give and receive love, from hugging and playing to sharing and helping, all while watching the book's heart grow!
