Hidden from mortals, Annwyn, the Otherworld, is home to shapeshifters, wraiths and dragons. Rhys MacDonald, the mortal great-grandson of a banished prince races to Annwyn to offer help when his ancient homeland is threatened by a dangerous Dark Magick. There he encounters a young goddess and shapeshifter, who thinks he is the mate foreseen in her dreams. Bound together by the flames of desire, they discover that destiny-and the Dark Magick- has other plans for them...

Elizabeth Pantley's breakthrough approach for a good night's sleep with no tears, enhanced with videos of the author answering parents' most asked questions! This enhanced eBook includes 14 exclusive videos by the author "At long last, I've found a book that I can hand to weary parents with the confidence that they can learn to help their baby sleep through the night--without the baby crying it out." --William Sears, M.D., Author of The Baby Book "When I followed the steps in this book, it only took a few nights to see a HUGE improvement. Now every night I'm getting more sleep than I've gotten in years! The best part is, there has been NO crying!" --Becky, mother of 13-month-old Melissa There are two schools of thought for encouraging babies to sleep through the night: the hotly debated Ferber technique of letting the baby "cry it out," or the grin-and-bear-it solution of getting up from dusk to dawn as often as necessary. If you don't believe in letting your baby cry it out, but desperately want to sleep, there is now a third option, presented in Elizabeth Pantley's sanity-saving book The No-Cry Sleep Solution. Elizabeth's successful solution has been tested and proven effective by scores of mothers and their babies from across the United States, Canada, and Europe. And now in response to weary parents asking for a little more guidance, Elizabeth has created fourteen brand-new videos exclusive to this enhanced ebook. Each of these three- to four-minute videos appears at the end of their specific chapter, summarizing what you have learned for quick recall or for those desperate moments when you've run out of ideas and need advice ASAP! Elizabeth gives you words of wisdom, tricks and tips, and soothing mantras, all that will help you get your baby sleeping. Tips from The No-Cry Sleep Solution: Uncover the stumbling blocks that prevent baby from sleeping through the night Determine--and work with--baby's biological sleep rhythms Create a customized, step-by-step plan to get baby to sleep through the night Use the Persistent Gentle Removal System to teach baby to fall asleep without breast-feeding, bottlefeeding, or using a pacifier The No-Cry Sleep Solution offers clearly explained, step-by-step ideas that steer your little ones toward a good night's sleep--all with no crying.

A distinguished pediatrician and leading researcher in the field of sleep and children outlines his groundbreaking, step-by-step program to help parents ensure a good night's sleep for their children by working with their natural sleep cycles, explaining why adequate rest is essential in optimizing a child's health and development. Originally in paperback.

Written during award-winning pediatrician Dr. Scott W. Cohen's first year as a father, this book is the only one to combine two invaluable "on the job" perspectives—the doctor's and the new parent's. The result is a refreshingly engaging and informative guide that includes all you need to know at each age and stage of your child's first year. Drawing on the latest medical recommendations and his experiences at home and in the office, Dr. Cohen covers everything from preparing for your baby's arrival to introducing her to a new sibling, to those three basic functions that will come to dominate a new parent's life. Eat, Sleep, Poop addresses questions, strategies, myths, and all aspects of your child's development. In each instance, Dr. Cohen provides a thorough overview and a simple answer or explanation: a "common sense bottom line," yet he doesn't dictate. The emphasis is on doing what is medically sound and what works best for you and your baby. He also includes fact sheets, easy-to-follow diagnosis and treatment guides, and humorous daddy vs. doctor sidebars that reveal the learning curve during his fi rst year as a dad. Lively, practical, and reassuring, Eat, Sleep, Poop provides the knowledge you need to parent with confidence, to relax and enjoy baby's fi rst year, and to raise your child with the best tool a parent can have: informed common sense.

In a gently parented home, boundaries are focused on guiding rather than controlling children and are maintained through empathetic and creative resolutions rather than harsh punitive consequences. Written by best-selling parenting and children's book author and mother of six, L.R.Knost, 'The Gentle Parent: Positive, Practical, Effective Discipline' provides parents with the tools they need to implement the Three C's of gentle discipline--Connection, Communication, and Cooperation--to create a peaceful world and a healthy parent/child relationship. Presented in bite-sized chapters perfect for busy parents and written in L.R.Knost's signature conversational style, 'The Gentle Parent' is packed with practical suggestions and real-life examples to help parents through the normal ups and downs of gentle discipline on the road to raising a generation of world changers.
