National Geographic Kids Readers: Manatees (National Geographic Kids Readers) - eBook

Explores the world of manatees, including their habitats, physical characteristics, diet, behavior, and threats to their environment.

National Geographic Primary Readers is a high-interest series of beginning reading books that have been developed in consultation with education experts. The books pair magnificent National Geographic photographs with lively text by skilled children's book authors across four reading levels. Level 3: Becoming independentBest suited to kids who are ready for complex sentences and more challenging vocabulary, but still draw on occasional support from adults. They are ideal for readers of Purple and Gold books. In this level 3 book, young readers will explore the underwater world of lovable manatees. Follow these gentle giants, sometimes called "sea cows," through their marshy habitats; learn how manatees raise their young and discover the threats to their environment. Beautiful photos and carefully levelled text make this book perfect for reading aloud or for independent reading.

This series goes behind the scenes with the people who research and photograph wild animals to put the reader right into the action; each title includes a scientific experiment, a glossary, a facts at a glance section and more.

Noted for their curiosity and playfulness, manatees favor warm water and long naps. Created by a noted naturalist, this coloring book profiles the biology, behavior, and history of these lovable and endangered marine mammals.

Examines creatures that live in the sea, including the blobfish, jellyfish, and moray eels.

In this level 2 reader, young readers will explore the underwater world of lovable manatees. Follow these gentle giants, sometimes called "sea cows," through their marshy habitats, learn how manatees raise their young, and discover the threats to their environment. Beautiful photos and carefully leveled text make this book perfect for reading aloud or for independent reading. National Geographic supports K-12 educators with ELA Common Core Resources. Visit [www.natgeod.org/commoncore](http://www.natgeod.org/commoncore) for more information.

All titles in this collection are by Laura Marsh and previously copyrighted in A2014, A2012, and A2011, by the National Geographic Society.

Describes the characteristics, habitat, behavior, diet, life cycle, and threats to manatees, including commercial hunters, pollution, and boats.

What's that buzzing around? It's a busy bee! With beautiful, engaging, and authentic photos, and accessible text, kids will learn all about these incredible insects in this level 2 reader.

A boy imagines that he is a manatee, sprinkling seaweed on his Raisin Bran-atee and dignifying his watery domain with his wit, sophistication, and urbanity.
