"The Great God Pan is a haunting, deeply affecting play about the interaction of identity, psychology and pathology. Ms. Herzog writes with keen sensitivity to the complex weave of feelings embedded in all human relationships, with particular attention to the way we tiptoe around areas of radioactive emotion." - New York Times "Whatever the ideal contemporary American drama is, it has to look a lot like The Great God Pan. It is provocative and subtle, slowly, carefully revelatory, sweetly moving, thought-provoking, funny and insightful." - New York Observer "An intelligent, delicately articulate writer." - Village Voice "A moving and unsettling look at the nature of identity and the vagaries of memory. With subtlety and compassion, Herzog contemplates how well we can really know ourselves." - Backstage Jamie's life in Brooklyn seems just fine: a beautiful girlfriend, a burgeoning journalism career, and parents who live just far enough away. But when a possible childhood trauma comes to light, lives are thrown into a tailspin. Unsettling and deeply compassionate, The Great God Pan tells the intimate tale of what is lost and won when a hidden truth is suddenly revealed. Amy Herzog's plays include 4000 Miles (Pulitzer Prize finalist), After the Revolution and Belleville. Ms. Herzog is the recipient of numerous awards, including the Whiting Writers' Award, an Obie Award and the Helen Merrill Award for Aspiring Playwrights.

Contains research and current trends used in digital simulations of teaching, surveying the uses of games and simulations in teacher education.

Married couples...dating couples...parents and children...teachers and students...office workers...management and staff...business to business... There is a simple solution to improving your communication and building better, healthier relationships. It's called Law of Connection. Make it work for you! Are there certain people you cannot seem to communicate with--at home, at work, or in your community? You say one thing, they hear something different. You simply do not understand one another, and you cannot explain why. The only thing you are certain of is that the lack of connection leads to disappointment, frustration, and conflict. Now in LAW OF CONNECTION, Michael J. Losier gives you the key to successful communication. Using the principles of Neuro-Linguistic Programming (NLP), you will soon master the few simple skills needed to create better understanding with people in every aspect of your life. With tips, tools, exercises, and scripts to guide you, you will discover: --the three conditions for connecting --techniques for calibrating your conversations --four easy methods for effective communication --tips for creating positive rapport in all kinds of situations --a special section for teachers, trainers, and anyone who makes group presentations. Bring LAW OF CONNECTION home to your family and introduce it into your workplace. Watch and listen as communication improves wherever you are, and your relationships become fuller, richer, and free of conflict.

Our Owls Coloring Book is filled of fun and awesome that will entertain children for hours while they enjoy coloring and bringing them to life! The world of Degas - Family and friends - Early influences on his work - Analysis of some of his more famous paintings.

Happy Halloween, this halloween theme notebook is specially for halloween Lovers. Scary Pumpkin Jack O'Lanterns theme 6x9, 120 pages Notebook is best gift for haloween lover friends and family members. Get this notebook for your Halloween obsessed Squad.

It's a graph notebook that features pages covered with continuous square grids that have different sizes according to your own preference, while the lines can be guides for plotting mathematical functions, experimental data, and drawing graph. It is preferred for art projects, note-

taking and statistical charts. People with small hand writings are going to love this notebook since they can maximize the usage of each pages and even those with messy hand writings because they can control the size and spacing. Ticking out To Do Lists and forming letters and numbers are easier to do with this. Grab your copy!
