Making Your Imagination Work for You - Nikola Tesla Universe

“Nikola Tesla Imagination and the Man That Invented the 20th Century” is a master piece that was very beautifully crafted in a simple manner by Sean Patrick. Despite receiving over 800 patents in his lifetime, and quite literally inventing the twentieth century, the genius, due to a blood clot in heart, died penniless and alone in a hotel room at the age of 86.

No. What I got was a book waffling on about what makes a genius - imagination, well who would have guessed that, then going on for virtually all the book about imagination. Nikola Tesla makes a fairly brief appearance as an example of imagination, a man with imaginative ideas..... Nikola Tesla makes about 10 pages of the entire book, well if that.
