Visit www.heinemann.com/ReadingNonfiction for special previews, videos, and more. "When students recognize that nonfiction ought to challenge us, ought to slow us down and make us think, then they're more likely to become close readers." That means we need to help them question texts, authors, and, ultimately, their own thinking. No matter the content area, with Reading Nonfiction's classroom-tested suggestions, you'll lead kids toward skillful and responsible disciplinary literacy. Picking up where their smash hit Notice & Note left off, Kylene Beers and Bob Probst write: "Fiction invites us into the writer's imagined world; nonfiction intrudes into ours and purports to tell us something about it." This crucial difference increases the responsibility of the nonfiction reader, so Kylene and Bob have developed interlocking scaffolds that every student can use to go beyond a superficial reading: 3 essential questions that set students up for closer, more attentive readings of nonfiction texts 5 Notice & Note nonfiction signposts that cue kids to apply the skills and processes that sophisticated readers use instinctively 7 proven strategies readers can use to clear up confusions when the text gets tough. We all know the value of helping students define nonfiction and understand its text structures. Reading Nonfiction goes the next crucial step-helping kids challenge the claims of nonfiction authors, be challenged by them, and skillfully and rigorously make up their mind about purported truths.

Saddle up for a life-defining, death-defying adventure.

Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

'Some things are just sitting there, minding their own business, waiting to be discovered. Like America. And other things are probably better off left alone' Nine-year-old Bruno has a lot of things on his mind. Who is the 'Fury'? Why did he make them leave their nice home in Berlin to go to 'Out-With' ? And who are all the sad people in striped pyjamas on the other side of the fence? The grown-ups won't explain so Bruno decides there is only one thing for it - he will have to explore this place alone. What he discovers is a new friend. A boy with the very same birthday. A boy in striped pyjamas. But why can't they ever play together?

"Why should I read?" Can your students answer that question? Do they have trouble seeing the importance that reading may have in their lives? Are they lacking motivation, both in academic and recreational reading? Do you think you can effectively teach reading strategies if students don't understand the benefits of literacy? In *Reading Reasons*, Kelly Gallagher offers a series of mini-lessons specifically tailored to motivate middle and high school students to read, and in doing so, to help them understand the importance and relevance reading will take in their lives. This book introduces and explains in detail nine specific "real-world" reasons why students should be readers. The book contains forty practical, classroom-tested and reproducible mini-lessons that get to the heart of reading motivation and that can be used immediately in English (as well as other content-area) classrooms. These easy-to-use motivational lessons serve as weekly reading "boostershots" that help maintain reading enthusiasm in your classroom from September through June. The mini-lessons, ranging from five to twenty minutes in length, hit home with adolescents, and in turn, enable them to internalize the importance reading will play in their lives. Rather than telling students reading is good for them, the lessons in this book show them the benefits of reading.
