Oneness Embraced Through The Eyes

One of the blind spots in the history of the American church is the area of race relations. In *Oneness Embraced* Tony Evans reminds us that the church cannot remain silent about the racial injustices in our country. - Richard Stearns, president World Vision, U.S., and author of *The Hole in Our Gospel*.

Oneness Embraced: Through the Eyes of... book by Tony Evans

Oneness Embraced is the book I had been looking for regarding how the church can find a balance between the Gospel and Social Justice. Dr. Tony Evans demonstrates how these two are not mutually exclusive. As a Christian who believes the Gospel and eternity is preeminent, I never want to neglect the here-and-now.

Black/white relations in the culture at large and in the church in particular continue to be a stain on America's respectable reputation. The church has clearly failed and must seek to function by God's kingdom perspective. In this legacy message, Tony Evans seeks to promote a biblical understanding of the kingdom foundation of oneness by detailing why we don't have it, what we need to do to get it, and what it will look like when we live it. Fully encompassing areas of unity, history, culture, the church and social justice, Evans looks to the scriptures for the balance between righteousness and justice that is crucial for applying in this generation and in training the next. A full section on black church history provides a background and understanding that has often been neglected. Recalling experiences in his own evangelical journey, Evans shares kingdom minded approaches for biblical justice and social restoration. To better glorify God and help heal the persistent racial divide, all church members would do well to read and learn from Oneness Embraced.

Black/white relations in the culture at large and in the church in particular continue to be a stain on America's respectable reputation. The church has clearly failed and must seek to function by God's kingdom perspective. In this legacy message, Tony Evans seeks to promote a biblical understanding of the kingdom foundation of oneness by detailing why we don't have it, what we need to do to get it, and what it will look like when we live it. Fully encompassing areas of unity, history, culture, the church and social justice, Evans looks to the scriptures for the balance between righteousness and justice. A full section on black church history provides a background and understanding that has often been neglected. To better glorify God and help heal the persistent racial divide, all church members would do well to read and learn from *Oneness Embraced*."

Oneness is hard to achieve. Let the kingdom unity of Scripture point the way. Today's world is torn apart. Tension is everywhere. Brother is pitted against brother, sister against sister, citizen against citizen, even Christian against Christian. It's so hard to find agreement—much less real harmony—in our polarized society. Can there be a way forward? Tony Evans knows how elusive unity can be. As a black man who's also a leader in white evangelicalism, he understands how hard it can be to bring these worlds together. Yet he's convinced that the gospel provides a way for Christians to find oneness despite the things that divide us. In the Word of God, we find a kingdom-based approach to matters of history, culture,

Acces PDF Oneness Embraced Through The Eyes Of Tony Evans

the church, and social justice. In this book, you'll get: A Biblical Look at Oneness A Historical View of the Black Church A Kingdom Vision for Societal Impact Although oneness is hard to achieve, the Christian must never stop striving. It's a kingdom imperative. As Tony reminds us, "Glorifying God is our ultimate goal. Oneness exists to enable us to reach our goal."

The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan "black lives matter." The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God's Word as the solution. Kingdom Race Theology helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice.

"That they may be one even as we are one" - Jesus the Messiah In a response to today's racially charged climate, Dr. Tony Evans speaks from a spiritual

Acces PDF Oneness Embraced Through The Eyes Of Tony Evans

perspective and discusses the need for racial healing in our nation and in our churches. He proposes that at the core of racial disunity lies the failure to understand and execute righteousness and justice from God's perspective. In this timely digital ebook, which concludes with a personal challenge to all believers, Dr. Evans calls readers to be intentional about embracing God's desire for oneness.

SEEING YOURSELF THROUGH THE EYES OF JESUS In this power-packed book, Christine Nelson unveils the scripture 1John 4:17b "As Jesus is so are we in this world..." She discusses the reality of reclaiming your true identity; your identity in Christ. Christine examines the character and nature of Jesus and brings you on a riveting journey of being a true expression of Jesus rather than a definition. Take a journey and meet Jesus in 13 of His names as He unlocks doors to you, to not only know His name but to be an ambassador of who He is. As different facets of Jesus are revealed you will seek to embrace the truth of your identity in Him. In this succinct yet powerful book, Christine Nelson encourages you towards a pursuit of reclaiming God's original intent for your life. See your perception of self transform, as you fall in love with Jesus again and again and begin to see yourself through the eyes of Jesus. In this book, you will discover: -Jesus' character and nature through 13 of His names; -How you can be manifested expressions of these names; -Practical steps to walk in your true identity; -How to behold Jesus and to see yourself through His eyes -Reclaim the supernatural being you are Christine Nelson writes: " Jesus has given us the power of attorney to be an expression of Himself;

to demonstrate the same authority and power, to do His works and even greater works" Let's be an expression of Jesus TODAY!

A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

Recipient of a Christianity Today 1994 Critics Choice Award! Here is living proof that white and black Christians can live together. When Spencer Perkins was sixteen years old, he visited his bloodied and swollen father (pastor John Perkins) in jail. Police had beaten the black activist severely, and Spencer never forgot the moment. He couldn't imagine living in community with a white person after that. But his plans were changed. Chris Rice grew up in very different circumstances, of "Vermont Yankee stock," attending an elite Eastern college and looking forward to

Acces PDF Oneness Embraced Through The Eyes Of Tony Evans

a career in law and government. But his plans were changed. Spencer and Chris became not only friends, but yokefellows--partners for more than a decade in the difficult ministry of racial reconciliation. From their own hard-won experience, they show that there is hope for our frightening race problem, that whites and African-Americans can live together in peace. This revised and expanded edition includes a new introduction, a new afterword, a new study guide, updated resources and a new chapter by Spencer, "Playing the Grace Card." In compellingly practical detail, Chris and Spencer present their hope, which is boldly and radically Christian. "The cause of racial reconciliation needs yokefellows," they argue, ". . . not solely for the sake of racial harmony--even though it will lead to that--but for the witness of the gospel."

Can it ever get better? This is the question Benjamin Watson is asking. In a country aflame with the fallout from the racial divide—in which Ferguson, Charleston, and the Confederate flag dominate the national news, daily seeming to rip the wounds open ever wider—is there hope for honest and healing conversation? For finally coming to understand each other on issues that are ultimately about so much more than black and white? An NFL tight end for the New Orleans Saints and a widely read and followed commentator on social media, Watson has taken the Internet by storm with his remarkable insights about some of the most sensitive and charged topics of our day. Now, in *Under Our Skin*, Watson draws from his own life, his family legacy, and his role as a husband and father to sensitively and

Acces PDF Oneness Embraced Through The Eyes Of Tony Evans

honestly examine both sides of the race debate and appeal to the power and possibility of faith as a step toward healing.

How can YOU help bring hope to our nation? At a time when it seems that our nation is toppling over—morally, culturally, economically, and politically—you may be asking this question: Is there any hope for America? Dr. Tony Evans says YES. In *America: Turning a Nation to God*, Dr. Evans helps Christians understand that at the core, America's problems are spiritual. And, God and His rule are America's only hope. As His people, God is calling us to return to Him in humility and repentance, to submit to His rule and authority. Only as we commit to doing so, individually and collectively, will we realize that hope. We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy. This straight-forward teaching, when embraced by believers in our nation, will usher in the greatest revival in American history.
