The Words of Oneness through Rasha Rasha does a great job of explaining Oneness as I have come to know it, and reminding the reader of the power they hold in manifesting and creating reality. At times I found myself reading this as if it was a trusted mentor narrating to me what I just went through. I highlighted passages ferociously as it's just such an important read. flag Like · see review. Jan 26, 2020 Buddha Bibliophile ...

What does it take for us to become our authentic selves? In her memoir, Georganne Spruce, a woman who chooses to define herself rather than follow society's stereotypes, searches for an authentic identity, creative expression, and a spirituality that uplifts her. On this journey, this dance of life, she learns to release her fear, express her deepest thoughts, heal her body, stand strong in relationships, and find her spiritual core. As a teacher, she strives to empower those she teaches. This book is more than one woman's story, for Georganne shares the tools, practices, dreams,

"From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write

2010 Reprint of 1946 Edition. In WHEELS OF TRUTH, Joseph Murphy gives expression in a clear and lucid style to the fundamental principle of universal truth-that God is the first Cause and that to Him the conception of time and space does not apply. Furthermore, he posits that the universe is but an emanation of God and Law but the intelligent purpose at the heart of things. It is not the skill in presentation alone which makes this
