Openpose Real Time Multi Person
We'll state right up front that it's a really, really bad idea to let a robotic archer shoot an apple off of your head. You absolutely should not repeat what you'll see in the video below ...

depth camera
The software comes from CMU's OpenPose library, a real-time solution for detecting a body, face, or hands. With this, [geaxgx] was able to hover the drone and keep his face in the middle of the ...
