Baroque & Folk Tunes For The Recorder is an unusual collection, containing over fifty pieces drawn from over 300 years of music. The selection contained in this book offer the player a sizeable scope of musical moods from lively, catchy pieces that are fun to rip through to those that are just beautifully melodic. It gathers together melodies originally written for violin or oboe, sung by trained singers and common people alike, Baroque and rag tunes, old and new tunes. Experience the joy of making them come alive again!

Retail supply chain consists of multiple segments from sales to distribution to finance. Retail manufacturers rely on a complicated web of suppliers. Customer demand and market competition today requires extreme efficiency from end to end. This book offers the retail supply chain executive with the tools needed for full strategic advantage. The new edition gives special attention to recent challenges, such as vast technological change, higher levels of customer personalization, and more global supply chains.

Exciting, familiar music by Bach, Handel, Purcell, Wagner, Verdi, Puccini, Tchaikovsky, Bizet, Delibes, Saint-Saëns, Fauré and many more, arranged especially for the beginner to intermediate recorder player, starting with the easiest. The pieces vary in length, the shortest are just three lines and the longest an entire page. All are in easy keys.

An affordable, easily scannable one-day training guide designed for use in instructor-led training courses.
