I have searched the internet far and wide for online PDF versions of Prima's official strategy guides but to no avail. I'm sure if any of you have read the guides you would know how fun it was to sit down and follow the guide as you play your own game. So I ask, members of reddit let us all come together, and complete the task of finding the guides for each game made, if any of you are happy ...

Prima's Official Strategy guides (PDF) : pokemon

You cannot consider every factor in this guide when creating your team, but the strategy is to use as much of the following information as you can. The more you can use, the better battler you will be. Competitive Battling is an art that many have discovered. This does not include beating the game and becoming the Pok\u00e9mon League Champion. This instead focuses on player(s) vs. player(s) ...
