Comprehensive and authoritative, yet reader-friendly, Clarkson/Miller/Cross' BUSINESS LAW: TEXT AND CASES, 15E blends classic black letter law with cutting-edge coverage of contemporary issues and cases. This market-leading book offers a strong reader focus designed to make the law accessible, interesting, and relevant. Updated content and features highlight today's latest developments in business law, while cases range from precedent-setting landmarks to some of today's most important recent decisions. The authors prioritize ethics with a unique ethical decision-making framework. This edition also integrates global, e-commerce, digital, and corporate themes with insightful features, such as Digital Updates that demonstrate how digital progress is affecting the law. Numerous examples, Case in Points and Concept Summaries further help you apply the law to today's real issues. Cross/Miller's market-leading THE LEGAL ENVIRONMENT OF BUSINESS: TEXT AND CASES, 11E delivers comprehensive, cutting-edge coverage using an interesting, understandable approach. You master vital skills as you study the legal environment within the context of law in today's increasingly regulated business world. Dozens of examples, business-oriented features, and step-by-step analyses place every topic within a meaningful context. You learn how today's legal environment is more about the constraints of business than the simple rules of law with this book's focus on managerial decision-making and current events. This edition makes ethics a priority with a new framework -- the IDDR Approach -- for making ethical decisions. The authors focus less on "black letter law" and more on broader issues that correspond to what business owners and managers face. Updated cases, content, and learning features present the latest developments and skills to succeed in today's legal landscape. This thoroughly revised edition of Mooney, Knox, and Schacht's text uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems. UNDERSTANDING SOCIAL PROBLEMS, Tenth Edition, progresses from a micro to macro level of analysis, focusing first on problems related to health care, drugs and alcohols, families, and crime, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict around the world. The social problem in each chapter is framed in a global as well as a U.S. context. In addition, the three major theoretical perspectives are applied to the problem under discussion, and its consequences -- as well as alternative solutions -- are explored. Pedagogical features such as The Human Side and Self and Society enable students to grasp how social problems affect the lives of individuals and apply their understanding of social problems to their own lives.
