When Jean Sasson's book *Princess: Life Behind the Veil* in Saudi Arabia was published, it became an immediate international bestseller. It sold to 43 countries and spent 13 weeks on The New York Times bestseller list. Now, in this long-awaited, compelling new book, Sasson and the Princess 'Sultana' return to tell the world what it means to be a Saudi woman today. Through advances in education and with access to work, Saudi women are breaking through the barriers; they are becoming doctors, social workers, business owners and are even managing to push at the boundaries of public life. Major steps

forward have, undoubtedly, been made. But this is not the whole story. Sadly, despite changes in the law, all too often legal loopholes leave women exposed to terrible suppression, abuse and crimes of psychological and physical violence. For many, the struggle for basic human rights continues. This fascinating insight will include personal stories of triumph and heartbreak, as told to Princess 'Sultana', her eldest daughter, and author Jean Sasson. Each of these stories will offer the reader a glimpse into different aspects of Saudi society, including the lives of the Princess,

Royal family.

This book paints a horrifying reality for women of the desert kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.

It all begins with an ad in the newspaper. When Jean Sasson, a young Southern woman living in Jacksonville Beach, Florida, answers a call to work in the royal hospital in Saudi Arabia, what should have been a two-year stay turns into a life-changing

adventure spanning over a decade. Over the years Jean is plunged into the hidden lives of the veiled women in Riyadh, where women are locked in luxurious homes and fundamentalist mutawas terrorize the streets. Jean meets women from all walks of life--a feisty bedouin, an educated mother, a conservative wife of a high-ranking Saudi, and a Saudi princess the world knows as Princess Sultana--all who open a window into Saudi culture and help to reshape Jean's worldviews ... the first installment in a heartfelt, inspiring memoir about Jean's thirty-year travels and adventures in Saudi

Arabia, Lebanon, Kuwait and Iraq.

In a land where Kings still rule, I am a Princess. You must know me only as Sultana, for I cannot reveal my true name for fear that harm will come to me and my family for what I am about to tell you. Think of a Saudi Arabian princess and what do you see? A woman glittering with jewels, living a life of unbelievable luxury. She has gold, palaces, swimming-pools, servants, designer dresses galore. But in reality she lives in a gilded cage. She has no freedom, no vote, no control over her own life, no value but as a bearer

Jean Son

of sons. Hidden behind the veil, she is a prisoner, her jailers her father, her husband, her sons. 'Sultana' is a member of the Saudi royal family, closely related to the King. For the sake of her daughters, she decided that it was time for a woman in her position to speak out about the reality of life for women in her country, whatever their rank. She tells of her own life, from her turbulent childhood to her arranged marriage - a happy one, until her husband decided to take a second wife - and of the lives of her sisters, her friends and her servants. In contrast to the affection and easy

Jean Son

camaraderie amongst the women, she relates a history of appalling oppression against them, everyday occurrences that in any other culture would be seen as shocking human rights violations: forced marriages, servants bullied into sex slavery, summary executions. Princess is a testimony to a woman of indomitable spirit and great courage. By speaking out, 'Sultana' risked bringing the wrath of the Saudi establishment upon her head and upon the heads of her children. For this reason, she told her story anonymously.

In Princess, readers were shocked by

Sultana's revelations about life in Saudi Arabia's royal family. Royal women live as virtual prisoners, surrounded by unimaginable wealth and luxury, privileged beyond belief, and yet subject to every whim of their husbands, fathers, and even their sons. Daughters of Arabia featured Sultana's teenage daughters, determined to rebel but in very different ways. And now, in Desert Royal, Sultana's fight for women's rights in a repressive, fundamentalist Islamic society, has an extra sense of urgency. The threat of world terrorism, the gathering strength of religious leaders and the discontent of

impoverished Saudis are threatening to topple the comfortable world Sultana has known. But an extended family 'camping' trip in the desert brings Sultana and her relatives face to face with their nomadic roots, and nourishes her will to carry on the fight for women's rights in all Muslim countries. This updated edition contains an all-new chapter as well as a letter from Sultana herself, encouraging all women to take up the struggle for freedom for their abused sisters throughout the world.

This is a story about a beautiful, virtuous

princess who has a horrible curse--she weeps diamonds. Because of this curse, her parents and everyone around her treat her horribly to cause her to weep more diamonds so they can be richer. Finally, in a moment of utmost compassion and bravery, she rescues a nearly drowned kitten and finds, yes, she can be loved. But with her father's plan to kill her cat, she escapes the castle and nearly is submerged in a quicksand. She's rescued by a mysterious older lady who has magical powers. Together, they travel around as gypsies to disguise her. Finally, she's given shelter in a very nice farming family, but she dare not

give her real identity to them. An older young man in the family falls in love with her, but she dare not love or reveal who she really is. Finally, he discovers her real identity, and she weeps loads of diamonds and other precious gems. But can the worst curse imaginable withstand true love? This is a novel, a tale of growth, however painful, and discovery into one's deepest self and discovering courage and resiliency.
