In terms of trophies, it's very easy and straight forward, following your typical Far Cry list of liberating outposts, hunting, side-missions and other activities. Nothing is missable, but do keep an eye on trophies marked as 'Solo Campaign Only', as only the host will get trophies related to these quests if you are playing co-op.

Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will

Why do we play games and why do we play them on computers? The contributors of »Games and Rules« take a closer look at the core of each game and the motivational system that is the game mechanics. Games are control circuits that organize the game world with their (joint) players and establish motivations in a dedicated space, a »Magic Circle«, whereas game mechanics are constructs of rules designed for interactions that provide gameplay. Those rules form the base for all the excitement and frustration we experience in games. This anthology contains individual essays by experts and authors with backgrounds in Game Design and Game Studies, who lead the discourse to get to the

Enriquez investigates how immigration status creeps into the most personal aspects of everyday life, intersecting with gender to constrain family formation. The imprint of illegality remains, even upon obtaining DACA or permanent residency. Interweaving the perspectives of US citizen romantic partners and children, Enriquez illustrates the multigenerational punishment that limits the upward mobility of Latino families. *Of Love and Papers* sparks an intimate understanding of contemporary US immigration policies and their enduring consequences for immigrant families.
