International Relations (IR) theorists have ceaselessly sought to understand, explain, and transform the experienced reality of international politics.

Re-Thinking International Relations Theory via ...
International Relations (IR) theorists have ceaselessly sought to understand, explain, and transform the experienced reality of international politics. Running through all these attempts is a persistent, yet unquestioned, quest by theorists to develop strategies to eliminate or reduce the antinomies, contradictions, paradoxes, dilemmas, and inconsistencies dogging their approaches.

Re-Thinking International Relations Theory via ...
This book is an effort to re-think international relations (IR) theory, or, more accurately, various theories of IR, yet without suggesting a new paradigmatic 'ism', a synthesis of sorts, or any type of grand theorizing. Rather, the book proposes a new conceptual-operational framework for critiquing and re-thinking IR theories.

Political Science An interdisciplinary exploration of the role of sovereignty, national identity, and borders in international politics. Informed by current debates in social theory, Identities, Borders, Orders brings together a multinational group of respected scholars to seek and encourage imaginative adaptations and recombinations of concepts, theories, and perspectives across disciplinary ...

Identities, Borders, Orders: Rethinking International ...
Rethinking International Relations. Rethinking International Relations is both an argument for a fresh theoretical approach to International Relations and an application of that theory to the changes in the international system brought about by the end of the Cold War. Fred Halliday's wide-ranging review identifies an impasse in International Relations theory: if debate has long revolved around the question of the state, and around a set of methodological issues, Halliday seeks to break ...

Rethinking International Relations - Fred Halliday ...
Wu, Shang?Lin 2013-05-01 00:00:00 Rethinking International Relations Theory via Deconstruction attempts to offer a 'rethinking' of contemporary IR theories through an 'experience' of Derridean deconstruction. As Arfi observes, while 'IR theorists have ceaselessly sought to understand, explain, and transform the experienced reality of international politics', they pursue this goal by 'eliminating or reducing the antinomies, contradictions, paradoxes, dilemmas and ...
