Rework is an example of the business-inspirational genre by the founders of 37Signals, a software company. I like 37Signals because they're straightforward, even pithy, and because founder Jason Fried has some right-on things to say about business culture, such as the stupidity of insisting that all workers come to an office and stay for eight hours, whether they are productive there or not.

ReWork: Change the Way You Work Forever eBook: Fried ... But Jason Fried author of the book Rework and founder of the software company Basecamp says the hype around entrepreneurship and startups are all nonsense. Starting a business doesn't need to be intimidated to start a business you don't need to self-identify as an entrepreneur and you don't need to have the desire to build a billion-dollar Empire in fact it's awesome to just want a small side of it.

In Rework, Jason Fried and David Heinemeier Hansson introduced a new path to working effectively. Now, they build on their message with a bold, iconoclastic strategy for creating the ideal company culture—what they call "the calm company." Their approach directly attack the chaos, anxiety, and stress that plagues millions of workplaces and ...

Rework by Jason Fried, David Heinemeier Hansson ...

Even though I read Getting Real, a previous book by David and Jason, some 4 times, Rework is definitely thought provoking and inspiring. I do not agree on all topics, and some of them apply only to software industry, but the time definitely has come to "rework work".
